## Area Activities

Long Beach is the perfect vacation spot, offering something for everyone in the family or group. Outdoor lovers can enjoy activities such as beach-combing, hiking, canoeing, claiming, crabbing, biking, horseback riding, bird watching, and visiting the Willapa National Wildlife Refuge.

Sportsman can enjoy charter fishing, fresh water fishing, sailing, driving on the beach, and golf. If you enjoy flying kites, then don't miss the Washington State International Kite Festival. Speaking of festivals, you won't want to miss the Sand Sculpture competition, the Northwest Garlic Festival, and the special Lewis & Clark event held Veterans Day weekend. Go to [funbeach.com](http://funbeach.com) for a list of current activities.

While you're there, be sure to visit the two lighthouses (North Head and Cape Disappointment) located nearby in Cape Disappointment (Fort Canby) State Park. While you're visiting the park, be sure to visit the military fort and interpretive center.

No trip to the beach would be complete without a moonlight stroll on the beach. Make it a fitting end to a day filled with museums, shopping, antique shops, and galleries.

While you can prepare your own meals in our fully equipped kitchens, you'll also want to visit some of the area's fine eating establishments.
